

## REMARKS

Applicants thank the Examiner for the interview on April 13, 2006. At the interview, the patentably distinct nature of the claimed invention over Edgar et al and Hanzek was explained to the Examiner.

Claims 1, 10-13 and 23 have been amended to further clarify the subject matter regarded as the invention. The remarks contained within the Amendment E filed March 20, 2006 remain applicable and are hereby incorporated herein by reference. Reconsideration of the application and an early Notice of Allowance are earnestly solicited.

If there are any issues remaining which the Examiner believes could be resolved through either a Supplemental Response or an Examiner's Amendment, the Examiner is respectfully requested to contact the undersigned representative at the telephone number listed below.

Respectfully submitted,
